

## Round II Project Summaries

Jurisdiction	Project Name	Framework Goal(s)	Project Summary
<b>Banning</b>	Lions Park Expansion	Health	The City of Banning is allocating BEYOND Round II Core funding and additional funding from BEYOND Health toward design and park improvements for Lions Park. The park is currently 9.12 acres consisting of 3 baseball fields, snack bar, and a playground. The City is working to expand the park to include an additional 7.46 acres, to be used for two multi-purpose fields. Round I funding was applied to a portion of the cost of the requisite CEQA analysis for the park. Additional funding is anticipated to come from the County EDA and the City's Park fund.
<b>Calimesa</b>	Creekside Park Fitness Facilities	Health	The City of Calimesa is allocating BEYOND Core and Health funding toward transforming Creekside Park into a Fitness Park by installing park grade fitness equipment stations. The installation will require relocation of existing fencing material to expand the park area; installation of rubberized safety surface around each fitness station; replacing existing benches, trash cans, and picnic tables to accommodate and encourage increased park usage.
<b>Canyon Lake</b>	Railroad Canyon Road Mobility Improvement Project	Transportation, Health	The City of Canyon Lake is allocating a portion of BEYOND funding toward the installation of pole-mounted radar speed signs. The project is in response to high auto speeds along Railroad Canyon Road, which connects to Lake Elsinore (west) and Menifee (east) where speed limits are both higher than Canyon Lake.
	Canyon Lake North Lake Boundary Project	Water	The City of Canyon Lake is allocating a portion of BEYOND funding toward investment in buoys to distinguish city boundaries from the County of Riverside. Existing buoys were originally funded through BEYOND Round 1 funds but have since been tampered with or destroyed. This project is to help maintain city boundaries.
	Goetz Road Monument Project	Economic Development	The City of Canyon Lake is allocation BEYOND funding to branding and establishing its identity as a municipality amongst its neighboring cities. The City is utilizing a portion of BEYOND funds for a city monument at the entry point along Goetz Road, adjacent to Menifee's Audie Murphy Ranch residential development project.
	City Website	Economic Development	The City of Canyon Lake is allocating a portion of BEYOND funding to perform the annual website update to ensure the site continues to help inform, promote, and describe the City to website visitors.
<b>Corona</b>	Corona Innovation Center	Economic Development	The City of Corona is allocating BEYOND funding to continue work on the BEYOND RI funded Corona Innovation Center. RII funds will support physical upgrades and ADA renovations to the economic development resource center.
	Corona Health Element	Health	The City of Corona is allocating BEYOND Core funding to add a Healthy Communities Component to their General Plan document. As part of the update, the city will be evaluating existing health conditions, constraints to improving health outcomes, and identifying opportunities to improve the overall health of the community.

## Round II Project Summaries

Jurisdiction	Project Name	Framework Goal(s)	Project Summary
<b>Eastvale</b>	Bus Shelters & Appurtenances	Transportation	The City of Eastvale is allocating BEYOND Core funding toward the installation of overhead bus shelters, benches, and/or a trash container at its more than 30 bus stops along Route 2 and Route 29.
<b>Hemet</b>	Hemet Economic Development & Marketing Program	Economic Development	The City of Hemet is allocating BEYOND Core funding toward developing a unified marketing and branding program to facilitate economic development in the community. Funds will also be devoted to the completion of the Downtown Wayfinding and Signage Program, design and distribution of the Business Resource Guide, enhancement of social media outreach, and the establishment of the community and regional recreation event that highlights the City's rebranding efforts.
<b>Jurupa Valley</b>	JV Chamber of Commerce	Economic Development	The City of Jurupa Valley is utilizing a portion of its BEYOND Core Round II funding to continue developing its partnership with the Jurupa Valley Chamber, focusing on business retention and small business development.
	Farmers Market	Energy and Environment, Health	The City of Jurupa Valley is utilizing a portion of its BEYOND Core funding to support the continued operation and enhancement of the JV Farmers Market through market expansion and establishment of an ongoing marketing campaign.
	Marketing/Branding Program	Economic Development	The City of Jurupa Valley is utilizing a portion of its BEYOND Core funding to initiate a city-wide branding program to include development of a City brochure and other informational marketing.
	Radar Display Signs	Transportation, Health	The City of Jurupa Valley is utilizing a portion of its BEYOND Core funding to install up to 6 solar powered radar speed signs to enhance safety awareness of motorists when approaching school zones.
	Rubidoux Walking Corridor	Transportation, Health	The City of Jurupa Valley is utilizing a portion of its BEYOND Core Round II funding and additional funding through BEYOND Health, for enhancements to the Rubidoux Walking Corridor, established through BEYOND RI funds. Funding will go toward construction of informational kiosks at each end of the corridor, enhancement of the Edible Path to School, and installation of murals.
<b>Lake Elsinore</b>	Healthy LE Program	Health	The City of Lake Elsinore is allocating a portion of its BEYOND Core funding to support the Healthy LE Program. A majority of funding will be directed to hiring a part-time Graduate Student intern to support program activities. Additional funds will go toward project materials and event programming.

## Round II Project Summaries

Jurisdiction	Project Name	Framework Goal(s)	Project Summary
	Fit-Trails Equipment	Health	The City of Lake Elsinore is allocating a portion of its BEYOND Core, plus additional BEYOND Health funding, to install fitness equipment stations at four parks throughout the city. The four parks were selected based on current activity and utilization levels, varied user types, disbursement of locations throughout the city, and existing walking path infrastructure.
<b>Menifee</b>	Communicating Menifee's Brand!	Economic Development	The City of Menifee is allocating a portion of its BEYOND Core Round II funding to build off of the RI Re-branding project to develop a marketing communication plan to include creating an independent economic development website and developing marketing materials.
	Menifee Homeless Taskforce	Economic Development, Health	The City of Menifee is allocating a portion of its BEYOND Core funding to the Southwest Homeless Alliance Coalition, specifically for creating and printing marketing materials associated with the Coalition.
<b>Moreno Valley</b>	Community Enhancement Program II	Health, Energy & Environment, Transportation	The City of Moreno Valley is utilizing BEYOND Core and Health funding for a multi-faceted project to promote active transportation, community engagement, and enhanced quality of life through ten tasks: (1) Community Cleanup Event, (2) Cyclocross Race, (3) Ride MoVal Community Bicycle Race, (4) 5K walk / Pet Adoption Fair Events, (5) Healthy Moreno Valley student campaign, (6) Juan Batista de Anza Trail raised crossing / SB821 Bicycle and Pedestrian Facilities from Bay Avenue to Cottonwood Street, (7) Mini-Round About Demonstration, (8) existing conditions Health Impact Assessment, (9) Community Health Element to General Plan, and (10) Exercise Equipment along Juan Bautista De Anza Trail.
<b>Murrieta</b>	Economic Development Site Selector Website	Economic Development	The City of Murrieta is utilizing a portion of BEYOND Core funds to develop a website in coordination with the Chamber of Commerce to provide comprehensive information to help new, expanding, and relocating businesses find the optimal location for success with the City of Murrieta. The website will utilize GIS software, real estate, demographic, workforce, and industry data to create this tool.
	HVAC Replacement at Murrieta Innovation Center	Energy and Environment	The City of Murrieta is utilizing a portion of BEYOND Core funds to replace 11 aging HVAC units and install new Title 24 compliant units. Round I funding had been programmed for this, but was reprogrammed for upgrades to the Police and Fire Department HVAC units.
<b>Norco</b>	Ensuring Safety Through Feedback Signs	Education, Health, Transportation	The City of Norco is utilizing BEYOND Core funding to purchase, install, and program 12-15 permanent speed feedback signs.

## Round II Project Summaries

Jurisdiction	Project Name	Framework Goal(s)	Project Summary
	Party Partners	Health	The City of Norco is utilizing BEYOND Health funds to support the Party Partners Program which provides activities for developmentally disabled adults eighteen and over, including dancing, wii games, arts and crafts, and social events.
<b>Perris</b>	Well One	Health	With funding from BEYOND Core and Health, the City of Perris, in partnership with Loma Linda University Dental School, and Lake Perris SDA Church, are organizing a bi-monthly dental clinic to serve the community to be integrated into an existing community medical and mental health clinic. Perris residents are granted first priority for appointments, but walk-ins from all areas are welcome. Funds will buy equipment and supplies. The clinic will be largely staff by volunteers, including volunteer dental students and professors.
	Perris green City Farm/Healthy Community50	Health, Education, Energy & Environment	Perris was one of 50 awardees for the national HealthyCommunity50 Challenge, to compete to develop practical, evidence-based strategies to improve measurable health outcomes and promote health and wellness, equity and social interaction. Perris' strategy focuses on healthy food access and is seeking funding to expand its network of community gardens. Funds will focus on developing a goal of 31 gardens.
<b>Riverside</b>	The Marketplace TOD & Mobility Hub Specific Plan Update	Economic Development, Transportation	The City of Riverside is combing its Round I and Round II funding allocation for development of a Marketplace TOD & Mobility Hub Specific Plan in the area around the Downtown Metrolink Station. With BEYOND funds, the City will prepare a two phased plan to (1) develop a baseline infrastructure opportunities and constraints plan, and (2) create an implementable Mobility Hub Specific Plan. The City seeks to collaborate with RTA to plan for the area.
	Green Action Plan	Energy and Environment, Health	The City of Riverside is using BEYOND Health funding to further the City's Green Action Plan, which is a tool to strengthen the integration between healthy communities and resource conservation goals. With BEYOND funding, the City plans to strengthen cross-sectoral collaborations and integrate the plan with the Sustainability Tools for Assessing and Rating Communities (STAR) system.
<b>San Jacinto</b>	San Jacinto General Plan Update 2040	Economic Development	The City of San Jacinto is using BEYOND funds to offset City costs for the update of the City's General Plan. Included are updates to the City's existing 7 elements and will add elements for Economic Development, Air Quality, and Environmental Justice.
<b>Temecula</b>	Temecula Youth Project Construct	Economic Development, Education	The City of Temecula is utilizing a portion of its BEYOND Core funding to create the Temecula Youth Construct project which aims to bridge the gap between educational attainment and vocational skills and offer an avenue, for students who do not attend college, to gain skills that will allow them to be successful within the community.

## Round II Project Summaries

Jurisdiction	Project Name	Framework Goal(s)	Project Summary
	Emergency Management System	Health	The City of Temecula is utilizing a portion of its BEYOND Core funding to host a one-day regional Emergency Management Summit, for the purpose of convening regional first responders, emergency managers, elected officials, businesses, and the general public to discuss emergency preparedness for the region.
	Intergenerational Horticulture Program	Education, Economic Development	The City of Temecula is utilizing a portion of its BEYOND Core funding to support the public-private partnership between the City and Our Nicholas Foundation which offers specialized vocational skill training for teens, adults, and seniors with special needs. Modeled after the RI BEYOND Funded Global Citizens Special Needs project, the Horticulture Program would be designed to teach basic skills that encompass cultivation of plants, vegetable gardening, landscaping, irrigation, and basic business practices for all ages with special needs from several communities in Western Riverside County.
	Bicycle Sharrows	Transportation, Health, Energy & Environment	The City of Temecula is utilizing a portion of its BEYOND Core funding to install 70 sharrows (or shared lane markings) divided between five areas surrounding schools in Temecula providing critical connections between local neighborhoods and schools as identified by the Trails and Bikeways Master Plan.
	Industry Sector Promotions/Site Visits & Surveys	Economic Development	The City of Temecula is utilizing a portion of its BEYOND Core funding to create marketing pieces/strategies specific to industry sectors that are growing in Temecula: craft brewing, high tech, advanced manufacturing, and specialty retail. Additionally, the City's Economic Development team will conduct in-depth site visits with existing businesses to better understand their operations and needs.
	Government Leadership Program for Youth (GLPY)	Education	The City of Temecula is utilizing a portion of its BEYOND Core funding to purchase equipment that will support the City's Government Leadership Program for Youth which facilitates interaction and communication between school districts, high school students and City staff in order to foster engagement.
	Sixth Street Sidewalk Improvements	Transportation, Health	The City of Temecula is utilizing a portion of its BEYOND Core funding to design and construct sidewalk improvements on the north side of Sixth Street, between Mercedes Street and the entrance to the Mary Philips Senior Center.
	<b>City of Wildomar</b>	Signage Enhancement Program	Economic Development
Website Enhancement Part 2		Economic Development	The City of Wildomar will enhance the City website, funded through BEYOND Round I, by purchasing a business registration module.

## Round II Project Summaries

Jurisdiction	Project Name	Framework Goal(s)	Project Summary
<b>County of Riverside Round I &amp; II</b>	District 1 Homeless Intervention and Mitigation Program	Health, Economy	District One will enter into a partnership with Path of Life to administer a homeless intervention program, providing support services that fill traditional funding gaps in rehousing individuals, including rental deposits, utility payments, and household supplies.
	District 2 Homelessness Prevention and Mitigation	Health, Economy	The Second District has allocated it's BEYOND funding toward Homeless supportive services.
	District 3 Staff Support	Education, Economic Development	The Third District has allocated \$20,000 of BEYOND to the Regional Cancer Services Task Force and the remaining balance toward the staffing costs of hiring the District's Round II WRCOG Public Service Fellow as a full-time staff.
	District 5 TBD		The County of Riverside will be dividing Round I and Round II BEYOND allocations, less a total of \$50,000 which has been directed to Public Health, to projects at the supervisorial district level. Each is allocated \$72,164.08.
<b>Riverside University Health Systems - Public Health</b>	Healthy Community Strategies	Economic Development, Health	RUHS-PH is using \$25,000 from the Round II County BEYOND Core allocation to expand upon and support implementation of the Bi-County Healthy Development Checklist. The County will use additional funding through the BEYOND Health set aside to support the annual Healthy Living Extravaganza.
<b>Eastern MWD</b>	EMWD Sustainability Center Feasibility Study	Water, Energy & Environment, Health, Economic Development, Education	EMWD is utilizing BEYOND Core funding to perform a feasibility analysis of siting a Sustainability Center near its Perris office campus.
<b>Western MWD</b>	Water Use Efficiency Master Plan & Conservation Outreach Plan		WMWD is utilizing BEYOND funds to update the Water Use Efficiency Master Plan (Plan) that will guide new customer programs and outreach over the next five years.
<b>Superintendent of Schools</b>	Meta THINK	Education	The Riverside County Office of Education is utilizing BEYOND funding to partner with Meta THINK and local school districts to address chronic absenteeism by working with parents, communities, and school administrators. The Program's aim is to improve student success as chronic absence is a strong indicator of poor performance.
<b>Morongo Band of Mission Indians</b>	Morongo Dial-A-Ride Program	Transportation	The Morongo Band of Mission Indians is utilizing BEYOND Round II funding to support continued operation of the Dial-A-Ride program which was initiated with BEYOND Round I funding. The Program provides access within and from the Reservation to such destinations as employment, educational centers, and health care facilities.

## Round II Project Summaries

Jurisdiction	Project Name	Framework Goal(s)	Project Summary
<b>Multiple:</b> Cities of Lake Elsinore, Menifee, Murrieta, Temecula, and the County	Regional Cancer Services Task Force  Status: Completed	Education, Economic Development	Several jurisdictions applied funding from their BEYOND Core allocations or applied competitively through BEYOND Health, to support development of a Regional Cancer Services Task Force. The Task Force hired a facilitator and perform a study to identify trends and regional needs in the area of Cancer services. Results of the assessment are intended to be used in planning for and attracting in-demand services to the region both to support health outcomes and economic development. BEYOND funding comes from Core and Health allocations.
<b>BEYOND Team:</b> City of Perris, Eastern Municipal Water District	Healthy Community 50/Perris Green City Farm	Health, Energy & Environment	The City of Perris was one of 50 awardees for the national HealthyCommunity50 Challenge, competing to develop practical, evidence-based strategies to improve measurable health outcomes and promote health, wellness, equity, and social interaction. Perris' strategy focuses on healthy food access and is seeking funding to expand its network of community gardens. Team funds would support development of 10+ new gardens; the total goal is 31 gardens.
<b>BEYOND Team:</b> Cities of Lake Elsinore, Menifee, Murrieta, Wildomar, and Temecula	Regional Homeless Alliance (Southwest Cities)	Economic Development, Education, Health, Transportation, Energy & Environment	The goal of the Regional Homeless Alliance is to achieve functional zero homeless. BEYOND Team funds would support development of a more comprehensive regional program by building on the existing foundation with a focus on immediate needs: beds, outreach, housing options and coordination of services. Specific activities will include (1) development of a Community Asset Assessment and Roadmap to address future needs, (2) development of formal housing navigation process, and (3) development of a replicable, coordinated entry system through outreach, housing navigation and low barrier supportive services. Specific tasks include hiring a part-time homeless outreach coordinator and part-time housing navigator, management of five full-time units for rapid rehousing, and provision of emergency shelter for an average of three individuals/families per night.
<b>BEYOND Team:</b> Cities of Corona, Jurupa Valley and Lake Elsinore, and the County of Riverside	Western Riverside Homeless Alliance	Economic Development, Health, and Education	Western Riverside Homeless Collaborative' s (WRHC) main objective is to stabilize homeless people through the use of shelters, permanent housing, and assistance programs to reduce homelessness in the subregion. The WRHC aims to achieve this objective by adopting a comprehensive regional approach to programming, performing asset mapping, strategic capacity building, and coordinated placement and case management. Specific tasks to be completed include: (1) hiring Homeless Facilitators, (2) creating a subregional Leadership Committee, (3) performing Asset Mapping, (4) assembling a Law Enforcement Case Conferencing Team, (5) identifying faith-based and other access points for a Coordinated Entry System, (6) Responsible Compassion and love Your Neighbor Campaign, and (7) Performance Measurement.
