

Western Riverside County Clean Cities Coalition

Membership Benefits

Our Mission

The governments of western Riverside County will take leadership roles in this Clean Cities Coalition, coordinating efforts between government and industry to recognize the value of partnership in achieving air quality, energy efficiency, economic development, and transportation goals, while advancing the clean air and energy efficiency goals of the national Clean Cities program.

Membership Benefits

Local Governments

- Access to grants and partnership opportunities among members
- Grant writing assistance
- Updates on changes in Legislation as they relate to air quality and clean fuel vehicles
